The Board of Directors of the Los Angeles Yacht Club shall have and retain full power and authority to determine all questions as to awarding the trophy.

## CAL MARITIME

The 2016/2017 season has been another great one for Cal Maritime. The team competed at the 2016 Rolex Big Boat series and placed 4th in class, a personal best for them! The Keelhaulers also were able to send a freshman team to compete at the Kennedy Cup, placing a respectable 4th place after only days sailing together.

The biggest news for Cal Maritime Sailing was their 2nd place finish at the Student Yachting World Cup in La Rochelle, France. The team fought incredibly hard and came away just one point shy of taking home the trophy!

## MAINE MARITIME ACADEMY

The Mariners will travel to California with a great combination of old and new guard. The team is led by veteran trimmer and three time Harbor Cup sailor, Issac Parker, who truly keeps the boat going. Driver Graham Roeber returns for his second year on the heels of a great fall season. Phillip McGee backs up Issac for a second time at the regatta and is a great bridge between the back and the front of the boat. The remainder of positions are filled with enthusiastic freshman who come with a wealth of experience. Bowman Geoff Knight joins the team from Annapolis and has spent many years in big and small boats on the Chesapeake. Dillan Morey is master of all things on the mast and out benches everyone on the team. Corinne Poitras may be a bit quiet, but her focus and determination shout loud and clear. The main trimmer, Jay Trentham, is a dinghy-team transplant and has a positive attitude that will outshine even the grumpiest of sailors. Brad Tibbetts joins the team as the alternate-ace-in-the-pocket ready at all times.

Ireland that the students are from, County Cork and County Mayo. As the first international competitors in the Port of Los Angeles Harbor Cup Regatta, Team Ireland sailors bring world class sailing experience from representing Ireland at the Student Yachting World Cup in La Rochelle, France, to competing in the Round Ireland Race in 2016 and the 2016 Irish Defence Forces Sailing Championship.

## UNITED STATES NAVAL ACADEMY

The U.S. Naval Academy's Varsity Offshore Sailing Team (VOST) contains approximately 85 members from all over the United States. 100% of the team is comprised of walk-ons, the majority of whom have no prior racing experience. Each team member's training starts on a Colgate 26 in the fall of their freshman year, and continues through their time on the team with different stages of sailing and leadership development. VOST competes in summer offshore races that include Annapolis to Newport, Newport to Bermuda, and Block Island Race Week. In 2016, Navy's team had a successful intercollegiate season, taking second place in the Kennedy Cup and first place in the Shield's Trophy Regatta, the McMillan Cup, and the Larchmont Intercollegiate Offshore Regatta. Navy is proudly represented in the Harbor Cup by seven team members who are hungry for a West Coast victory.

## UNIVERSITY OF SOUTH FLORIDA

The University of South Florida Offshore Sailing Team was organized in the fall of 2015 for a collegiate offshore event in the Midwest and now competes in a full schedule of keelboat events throughout the year. South Florida Offshore is comprised entirely of sailors from the USF Coed, and Women's teams. The offshore team is a primarily student-athlete organized branch of USF Sailing, relying on the generosity of local sailors in the Saint Petersburg area for the use of their boats for practices. Many USF Offshore sailors maintain full schedules with the dinghy team or are involved with various one-design fleets that frequent Tampa Bay. South Florida Offshore has seen some success this 2016 – 2017 season, including wins at the Larchmont Intercollegiate Offshore Regatta, Southern Collegiate Offshore Regatta, and the ICSA Keelboat National Championship for the Kennedy Cup. The team is excited to compete in the 2017 Port of Los Angeles Harbor Cup; Los Angeles Yacht Club and its members put on a world class event and the sailing will undoubtedly be close.
